800-MV ECO, three runners, reinforced, solid	17.5 Kg	1500 Kg	1200 Kg

MV-800 ECO Pallets

Dolav offers its new line of MV-800 ECO pallets— many options to choose from.

New Hot Stamping Technology

Dolav gives you the option to add your logo, even on small quantities. New technology!

New hot stamping technology for box pallets and lids

Dolav has acquired new hot-stamping technology for printing logos and information on its boxes.

Printing in one colour from variety of colour choices.

The new technology gives us the option to provide high quality printing on in-stock box pallets and lids.

Please ask us about the new options!
